

Managing Sunbelt Loads (ACTIVE LOADS)

BridgeHaul Knowledge Articles for Sunbelt Rentals

MANAGING ACTIVE LOADS

1. To manage loads for Sunbelt, you'll click on **Loads** from the home screen
2. From the next screen, you'll see a number of tabs at the top of the page, including **Current** (active loads) and **History** (historical loads)

3. From the **Current** tab, you'll be able view your active loads, where you can tap on a specific load to get more information
 - a. Clicking **SEE DETAILS** will allow you to see the specifics of the load
 - b. In the **Documents** section, you can view load documents you've uploaded or where you upload new documents (see next section for instructions to upload, view, and manage documents)
